Welcome

Skandinavisk Wayfarer Sammenslutning (SWS) welcome our fellow sailors from far and near for an unforgettable week. Join us at our annual national rally in a perfect setting for one-day sailing between our camping site and several small islands in the calm sea south of Fynen. Afternoon tea (or a beer), dinner and good company can be shared with old and new friends in the big tent, that will be raised to keep us warm and together.

Sign up before june 15th

Send an e-mail to John Golterman, jgo@wayfarer.dk
Please inform us of your sail number, country, number of children and adults, names, size of t-shirts, day of arrival/departure. We also welcome comments or questions.
